be ready!

HURRICANES

Cover windows with storm shutters or plywood.

Know how to turn off your gas, electricity, and water in case you need to evacuate.

Secure outdoor items by moving them to the garage.

Tune in for local information.

Designate a shelter area, if you can’t evacuate. Rooms without windows are best.

If your home has damage, do not reenter until it has been examined by a building inspector for safety.

Prevent mold growth, by airing out rooms and disinfecting. More information

Tap water may not be safe to drink, listen to local warnings. More information

Throw away food that may be unsafe. More information

Prevent carbon monoxide poisoning, use generators, stoves, and grills outside and away from windows and doors.

Make an emergency kit
