# COCA Products & Services

		<b>COCA Call</b>
		CDC Clinician Outreach and Communication Activity

COCA Call Announcements contain all information subscribers need to participate in COCA Calls. COCA Calls are held as needed.

		<b>COCA Learn</b>
		CDC Clinician Outreach and Communication Activity

Monthly newsletter that provides information on CDC training opportunities, conference and training resources, the COCA Partner Spotlight, and the Clinician Corner.

		<b>Clinical Action</b>
		CDC Clinician Outreach and Communication Activity

As-needed messages that provide specific, immediate action clinicians should take. Contains comprehensive CDC guidance so clinicians can easily follow recommended actions.

# COCA Products & Services

**COCA Digest**  
CDC Clinician Outreach  
and Communication Activity

Monthly newsletter that provides updates on emergency preparedness and response topics, emerging public health threat literature, resources for health professionals, and additional information important during public health emergencies and disasters.

**COCA Now**  
CDC Clinician Outreach  
and Communication Activity

Informs clinicians of new CDC resources and guidance related to emergency preparedness and response. This email is sent as soon as possible after CDC publishes new content.

CDC's primary method of sharing information about urgent public health incidents with public information officers; federal, state, territorial, and local public health practitioners; clinicians; and public health laboratories.

# Join COCA's Mailing List

- **Receive information about:**
  - **Upcoming COCA Calls**
  - **Health Alert Network (HAN) messages**
  - **CDC emergency response activations**
  - **Emerging public health threats**
  - **Emergency preparedness and response conferences and training opportunities**
